PROFESSIONAL SUMMARY

Creative and detail-oriented Graphic Designer with 3–4 years of hands-on experience in branding, print design, and social media graphics. Proficient in industry-standard design tools including Adobe Photoshop, CorelDRAW, and Canva. Passionate about delivering visually compelling designs that communicate effectively and meet client objectives. Currently studying Software Engineering at FUNAAB, bringing a unique blend of creative and technical thinking to every project.

WORK EXPERIENCE

Graphic Designer & Trainee

2020 – 2024

Sunnyb Global Enterprise

- Designed and produced print materials including flyers, banners, and promotional content for clients.
- Created engaging social media graphics and visual content to support digital marketing campaigns.
- Developed brand identity assets including logos and branded templates for various clients.
- Collaborated with the production team to ensure design files were print-ready and met quality standards.
- Gained hands-on experience across the full design workflow from brief to final delivery.

Teacher & Visual Communication Support

2021

New Height Nursery and Primary School

- Delivered classroom instruction to primary school pupils in a structured and engaging manner.
- Designed and produced educational posters and visual materials to support teaching and learning.
- Applied graphic design skills to create clear, visually appealing resources for the school environment.
